

Harpers Home Mix Ltd

We are looking for extra people with relevant experience, to work for us at busy times in our Animal Feed Mill in Holsworthy.

Feed Production Operators - Bank Staff (Temporary appointments)

We are looking to recruit more people to our 'bank' of people who can drive fork-lift trucks and operate other equipment safely.

Pay and conditions are competitive.

If you are successful, after initial training you would be asked to work for us when the mill is busy. These are primarily seasonal posts (for work during our busiest months of autumn, winter and spring) but we need people to train now and we need staff for summer holiday cover.

Permanent posts may result because we approach our Bank Staff first to fill vacancies
